Description

139 Linwood doesn\'t need a single thing done to it, just a moving truck! This recently renovated home hits you with light and space the moment you walk in, with an open-concept living room and kitchen glowing under pot lights from end to end. The kitchen earns its keep with a live-edge wood breakfast bar, soft-close cabinets with under-cabinet lighting, a crisp subway tile backsplash, and stainless steel appliances. Two good-sized bedrooms and a brand new 4-piece bathroom, fully tiled tub surround included, finish off the main floor. Head downstairs and WOW\'s keep on coming. The basement opens into a massive rec room, with room to carve out a third bedroom if you need it. A spacious 3-piece bathroom built around a custom rainfall shower tops off the interior. Out back, a fully fenced yard with an updated deck and gazebo, is made for long summer evenings. The double-wide driveway fits four or more vehicles with room to spare. With updated windows, and a furnace and A/C replaced in 2019, you can skip straight to enjoying the place instead of fixing it.Turnkey and move-in ready! Book your showing today. (id:6772)
