Description

Welcome to this Hayhoe built Colonial home in the desirable Wales Subdivision of Copenhagen. Set on a pie shaped 1.01 acre lot, it offers the experience of country living with Aylmer just minutes north and the beaches of Port Bruce a short drive south. A covered front porch and foyer lead into the main level, where a bright den and open dining room with a gas fireplace create a warm welcome. The updated kitchen makes entertaining easy, featuring an oversized island, quartz countertops, a pantry, and stainless steel appliances that gives you plenty of room to cook for the family! Just beyond, the family room overlooks the backyard and opens to the patio and pool through a garden door. The main floor also includes a 2 piece bath and a laundry room with direct access to the heated two car garage, finished with epoxy flooring and an automatic door opener. Upstairs, four large bedrooms and a 5 piece bath offer room for the whole family. The primary bedroom includes plenty of closet space and a 4-piece ensuite. The large basement is ready to be finished to your liking with over 900 square feet at your disposal! Outside, the backyard is made for summer. The 18\' x 36\' heated salt-water pool is surrounded by a concrete patio and 5\' black steel fencing along with a 10\' x 20\' pool shed that includes a 3 piece wash and change room. The outside of the house has been meticulously maintained and features large limestone boulders that add to the landscaping done around the front of the home. The long laneway fits up to six vehicles, and the large yard really has that country feel backing onto the countryside.
