Description

Welcome to 136 Middleton Street in the heart of Thamesford! This end unit freehold townhome sits on a larger lot and comes with approximately $80,000 in upgrades, so the features most buyers wish they could add are already done for you. The kitchen is built for everyday living and entertaining, with a sizeable graphite island, white quartz countertops, a timeless backsplash, and taller upper cabinets for extra storage and a custom look. A deep cabinet above the fridge with a matching panel adds a clean, built in finish, and newer quality appliances mean you can start cooking from day one. The home is completely carpet free. Warm oak hardwood flows through the family room, upstairs hallway, and all three bedrooms, while the oak staircase with upgraded spindles makes a beautiful first impression. Custom window coverings are found throughout, with electric blinds on the back windows for easy, one touch convenience. Upstairs offers three spacious bedrooms, including a primary retreat with an ensuite featuring an upgraded shower and quartz countertop. The main bathroom also features quartz counters, and upstairs laundry makes chores a breeze. Thinking ahead? The basement includes a rough in for a 3 piece bathroom, making it easy to add one when you\'re ready to finish the space. Outside, this larger lot gives you incredible room to garden, play, and entertain. The yard is fully fenced for privacy and peace of mind, and the brand new deck is perfect for summer BBQs and quiet evenings. As an end unit, you\'ll also enjoy extra natural light and fewer shared walls. Enjoy the warmth of a friendly village community with parks, schools, and amenities nearby, plus easy access to London, Woodstock, and Highway 401. Book your private showing today!. (id:6772)
